

The Animal League of Green Valley is a private, non-profit, no kill, all volunteer organization dedicated to serving the people and pets of our community. TALGV's vision is...

A Home for Every Pet

TALGV relies entirely on volunteers to care for the animals, run the office, maintain the facility and operate The Attic Thrift Shop, which is a major source of our funding.

Pets matter. That is inherently understood at TALGV. By choosing to volunteer, you are joining the TALGV team. Our efforts will ensure that each pet has a safe haven until a new loving home can be found.

YOU can make a difference!
